PRINT ON CARD STOCK PAPER

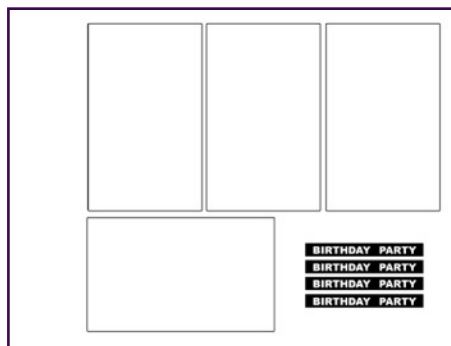

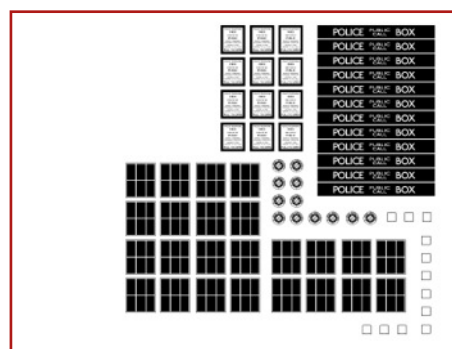

- Purchase Blue Card-stock paper. Or if you want you can choose a different Tardis Color. Choose a blue close enough to Tardis Blue on one side, and the light blue opposite worked out just fine on the other.
- Print out [Tardis_Card_front_cardstock.jpg](#). This will make 3 Tardis Cards. Print 4 times. Make sure it prints at 100% image size and that the correct color is facing the printing head.

- Print out [Tardis_Green_Card_back_cardstock.jpg](#). Make sure it prints at 100% image size and that the correct color is facing the printing head.

You will want to print this out on the other side of the card stock paper that you printed the Tardis on.

- Cut the [Tardis Shape's](#) out of the card stock by following the thick outer border.

PRINT ON FULL SHEET WHITE STICKER PAPER

- Print out [Tardis_Card_whitesticker.jpg](#) on full sheet white sticker paper. This sheet will complete 12 Tardis Fronts.
